

## Farewell message to Patients & Staff

I would like to let everyone know that I will be retiring from the practice at the end of June 2024. I have been part of Debenham Group Practice (DGP) for the last 29 years. It has been a big part of my life and I will be sad to say goodbye.

It has been an enormous privilege to help look after the patients in our care and I am confident that the practice remains in very safe hands.

My colleagues have always been wonderfully supportive and many have become good friends, for which I am very grateful.

So thank you to all who were involved in being part of DGP: patients, staff and partners.  
I wish you all the very best.

Sincere regards,

Teresa Jennings
