

# SHARPS CONTAINERS

Unfortunately, the surgery is no longer able to accept sharps boxes from patients due to changes in our clinical waste management arrangements.

Used sharps containers are classified as hazardous clinical waste and must be handled, stored, and disposed of in accordance with strict waste management regulations. For this reason, we are unable to accept them at the practice.

We have contacted East Suffolk Council who have advised that there are 4 pharmacies that will take home sharps boxes, these are:

Aldeburgh Pharmacy  
125 High Street  
Aldeburgh  
IP15 5AR

Beccles HCC Ltd  
Beccles and District War Memorial  
Beccles  
NR34 9NQ

Framlingham Pharmacy  
31 Market Hill  
Framlingham  
IP13 9AY

Saxmundham Pharmacy  
High Street  
Saxmundham  
IP17 1DF

If any places are unsuitable, please make direct contact with East Suffolk Council Customer Services on 0333 0162000 and they will place your name on a list to have these collected.

We apologise for any inconvenience caused.

Framlingham Surgery  
Pembroke Road, Framlingham, IP13 9HA  
01728 723627
