

Getting the right treatment - helping us to help you

Stowhealth can provide a huge range of advice, examinations, treatment, vaccinations, prescriptions & others routine healthcare.

But did you know there are lots of other local services that you can go to directly for help, without the need to speak to your GP first?

This guides sets out the main services that are available and how you can contact them.

Minor ailments and conditions

DID YOU KNOW: You can get rapid advice & treatment without an appointment from your local pharmacy? The conditions that pharmacists can help with include:

- * Minor cuts & bruises
- * Coughs, colds, sore throats, blocked nose
- * Aches & pains e.g. earache, headaches, back pain, cystitis & period pain
- * Thrush & uncomplicated urinary tract infections
- * Teething & nappy rash
- * Thread worms
- * Hay fever
- * Athlete's foot, warts & verrucas
- * Diarrhoea, indigestion, constipation & haemorrhoids
- * Cold sores & mouth ulcers
- * Skin rashes, acne & eczema
- * Eye infections
- * Emergency contraception
- * Travel health

WHAT TO DO: Just drop into your local pharmacy and ask to see the pharmacist.
